

# Join us to connect the ECMO centers of Europe!

Esteemed colleagues, COVID has shown us that we must strengthen our collaboration by sharing our expertise. We have therefore created a virtual EuroELSO community, to which all the European ECMO centers are welcome. The EuroELSO network is hosted by Siilo, Europe's largest and most trusted secure messenger app for healthcare.

**Jan Bělohávek**  
President, EuroELSO

“Let us discuss challenging ECMO cases together!”

## Join the EuroELSO network in 5 minutes

1

### Download the Siilo App free of charge

1 min

On your smartphone, open the App Store or Google Play Store. Then simply search for “Siilo” and click on download..

2

### Register

3 min

Open the Siilo App and follow the registration steps. The registration is completely free of charge.

3

### Join the EuroELSO network

1 min

Congratulations, after scanning the QR code, you are part of the exclusive network! We welcome you to post interesting ECMO cases and spark a vivid discussion with trusted colleagues across Europe.

4

### Use Siilo from your computer

optional

Through the Web-Browser version, Siilo can instantly be used from any computer. Simply type in **web.siilo.com** and scan the QR code on your computer screen with the Siilo App on your smartphone.

By scanning this QR code within the Siilo app, you will join our exclusive EuroELSO community!
